

Edsby Student Log-In Information & Steps

What is Edsby?

Edsby is an online, cloud-based platform that combines social networking with class and student management features. It allows students to see the classes that they are registered in, each class' calendar, course content, grades, etc. and it also allows students to submit work, comment on course material, and send messages to their teachers.

*You will need to **Log-in to New Email and set-up a new Password prior to accessing Edsby**. You will be prompted to reset your password on the first login.
