# CURRICULUM & ACADEMIC FOCUS

Our program follows the Ontario Grade 7 & 8 Elementary Curriculum, including:

Science

Language

Math

The Arts

Social-Emotional Learning

We blend in-class teaching, online opportunities, and Land-based excursions to foster confidence, curiosity, and academic success.

# WHO SHOULD CONSIDER THIS PROGRAM?

- This program is ideal for students who:
- ✓ thrive in small class sizes with personalized support.
  - ✓ learn best through real-world and hands-on experiences.
  - ✓ want to meet Ontario curriculum expectations in alternative ways.
  - ✓ value culture, voice, and individual growth.

# WHAT MAKES OUR PROGRAM UNIQUE?

## Structured Flexibility

Students follow a regular schedule. Options for support include: online learning, work-at-home flexibility, and one-on-one guidance.

## Land-Based and Experiential Learning

Regular excursions connect students to the land, community, and cultural knowledge, reinforcing curriculum through experience.

## A Tailored School Day

Our 10:00 AM – 1:00 PM schedule promotes focus, wellness, and quality learning.

## Small Group Setting

We prioritize relationships and belonging — students feel seen, heard, and supported every day.
